NOTIFICATION

Workshop on 'Mixed Methods Research'

Mixed methods research is an approach that combines both quantitative and qualitative research methods to provide a deeper and more comprehensive understanding of research problems. By integrating numerical data with participants' experiences and perspectives, mixed methods research helps researchers explore complex issues more effectively. This workshop is designed to introduce participants to the principles, designs, data collection techniques, analysis procedures, and practical applications of mixed methods research in academic and healthcare settings. Through interactive sessions and practical examples, participants will gain the knowledge and skills required to plan and conduct mixed methods studies successfully.

Learning objectives:

1. Participants will acquire knowledge of the basic designs in Mixed Methods Research.
2. Participants will be able to decide on the design and plan data collection and analysis in Mixed Methods Research.
3. Participants will understand the reporting standards in Mixed Methods Research.

Eligibility Criteria:

- Faculty members of colleges affiliated with Kerala University of Health Sciences (All Streams).
- Postgraduate and Doctoral students of colleges affiliated with Kerala University of Health Sciences (All Streams).

Date and Time: December 4th & 5th 2026 9.30 AM to 4.30 PM

Resource Person: Dr. Amol Dongre, Professor of Community Medicine, Sri Manakula Vinayagar Medical College and Hospital, Pondicherry, India.

KUHS,Thrissur

Venue: School of Family Health Studies, Kozhikode

Mode of Class: Offline mode

Fee: 2,500/- (Two Thousand and Five Hundred Only)

Number of Seats: 30

Last date of Registration: 02/12/2026

How to apply?

Log on to www.kuhs.ac.in

Click on announcements -> Workshop-Mixed Methods Research.

- Faculty members with an FEP ID, as well as postgraduate and doctoral students with a valid register number, can register using the respective links provided for them.
- The application will be routed through the Principal. Direct application will not be entertained.

Certification

Certificates will be awarded to all participants who attend the program successfully.
